

Bianca Luna

NABEL

Bianca Luna is a tranquil white derived from the earth,
warm and inherently inclusive.

It resembles warm stones kissed by sunlight
or the morning sky shrouded in mist.

The core of the product design seeks to create an atmosphere
that embodies Eastern philosophical ideals of tranquility, purity, and ethereality

Stone Era

Sizes	Surface	Face	Code
1600*3200*20mm	Silk	1	EHD321600021TY
1600*3200*12mm	Silk	1	NHM321600016Y
