Limestone Beige

NABEL

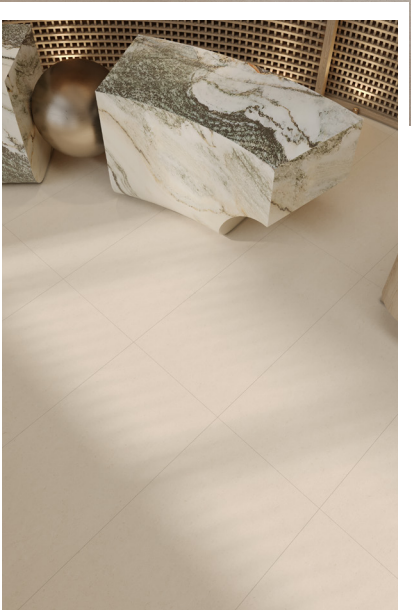

Crafted from French limestone,
its warm beige tone exudes understated elegance,
accented by softly flowing veins that add a touch of dynamic charm.
It introduces natural depth and dimension to interiors,
allowing light and texture to interact in perfect harmony —
creating a space that is both refined and effortlessly inviting.

Limestone

Sizes	Thickness	Surface	Code
600*600mm	9mm	Matt 10	ERM060600037YZ
