

Travertine white^(R10)

NABEL

Born from Italian travertine,
its gray-white base is graced with natural pores and textures,
where light seems to dance through the stone.
It brings distinctive texture and subtle depth to your space,
allowing light and material to interact in effortless harmony—
creating an atmosphere of understated elegance.

Travertine

Sizes	Thickness	Surface	Code
600*600mm	9mm	Matt 10	ERM060600032YZ
600*1200mm	10mm	Matt 10	ERM120600032YZ
